Team

Contributors

- Software Engineering for Distributed Systems Group, University of Göttingen, Germany are the main developers and maintainers of the T3Tools.
- European Telecommunications Standards Institute (ETSI) provided funding for the initial development of the T3Tools and their maintenance.

Further contributions are welcome!

- For repository and wiki write access, please contact the maintainers listed below.
- By contributing to T3Tools, you acknowledge
 - ◆ that your contribution becomes subject of the license of the T3Tools and
 - ◆ that the code you contribute is either written by you or covered by a license which allows to transfer the code to the license of the T3Tools.

Maintainers

The maintainers of the T3Tools:

?Philip Makedonski
